

The **New Life** Group presents

A New **Book** & Webinar by Dr. Henry Cloud

The Greatest Leaders Share **One** Commonality:

The Power of the Other

In Their Lives

- Go beyond coaching that develops skills & knowledge and closes gaps in performance

- Find out about another critical ingredient for personal and professional wellbeing.

- Learn what the greatest leaders and performers share in common: the power of **others** in their lives.

- Understand how the strongest leaders' performance is either enhanced or diminished by key people around them.

- Get more from yourself in both leadership and life by learning the laws that govern *The Power of Other*

- Understand the right kind of Connections to have that Fuel Personal Growth and Surpass Current Limits

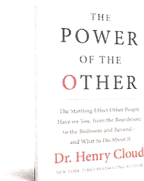

Learn the necessary ingredients needed in relationships to enhance your performance and well being through *The Power of the Other*.
